~ Gourmet Burgers or Chicken ~

Our gourmet 1/2 lb. Black Angus Burgers or 1/2 lb. Chicken Breast, start on a bed of mixed greens and a pretzel bun. See below what else comes on your favorite.

Halfback Mushroom-N-Swiss *We reformulated this 1/2 lb. Black Angus with grilled mushrooms, Swiss cheese, mixed greens, tomato, onion, and mAyo-1-sauce*

Halfback Bacon-N- Cheddar *This burger is not a passing situation - it's loaded with thick smoked bacon and Wisconsin cheddar cheese, mixed greens, tomato, and red onion, and topped with our apple butter sauce.*

Halfback Caprese *It sounds like we should say "God bless you" when you order this one, but it's nothing to sneeze at. This half pound Angus sits on a bed of mixed greens and is topped with fresh mozzarella cheese, roma tomato, basil and a drizzle of balsamic reduction.*

Halfback Blue Salsa *This one will score some points. We melt blue cheese on this half pound steak burger, and drizzle pineapple salsa over the top. It's a little tart, a little sweet, and a little spicy. Actually, there's nothing little about it.*

Halfback BBQ *We grilled a burger and a pineapple ring, added grilled onions, cheddar cheese and basted this Angus burger with BBQ sauce fit for a wing.*

Halfback Portabelisimo Alfredo *If you can pronounce it, you're doing good, but wait till you taste it! We went to the chalkboard for this one. Black Angus burger topped with grilled garlic mushrooms, our alfredo sauce, and sprinkled with shredded provolone. Touchdown!*

Caddy Melt PGA *It starts with the PGA Pretty Good Angus. This one is better than par and we tee off with a slice; make that two slices of toasted rye, a Swiss cheese wedge, and a large divot of grilled onions. We serve this with spectator chips. Who's your caddy?*

1/2 lb. **12.99** *Burger or Chicken*

YOUR TIME IS IMPORTANT TO US, OUR QUALITY IS IMPORTANT TO YOU!

In an effort to better serve you, please allow additional time when our dining room is busy. We will do our best to take care of every customer in the order they arrive. However, depending on your selection, it may take a little longer than another party who arrived after you. We don't pre-cook food and hold it, as we believe it lessens the quality standards you have come to expect from us. We desire to offer our customers the very best of ingredients and service. We begin preparing your selections once your order is placed. Our prices may seem a little higher, but we believe you'll taste the difference. We don't cut corners on service or quality! Thanks for your patience
